GOOD NEIGHBOR MISSION:

To balance the power imbalance inherent to any society, by standing with all of our Neighbors. In all situations we simply ask, “What is the power dynamic and how can it be more fair?”

GOOD NEIGHBOR GOALS:

- ◆ Establish moral legitimacy in politics by creating an unimpeachable convergent moral foundation, bringing science and faith together.
- ◆ Expand the definition of Neighbor and Neighborhood and promote self-discipline, empathy, compassion and grace in our members. Lead by example.
- ◆ Create solidarity and increase awareness among like-minded people and organizations.
- ◆ Serve as a recruitment tool for volunteerism, community leaders and endorse politicians.
- ◆ Create and maintain a non-profit public institution to put firm and steady pressure on the national discourse legitimizing progressive and socialist views and policies.
